KCH Participates in the KONA Marathon

Kona Community Hospital staff turned out in force to participate the Kona Marathon's full and half marathon and 10K and 5K runs. This annual event is tremendously popular because it offers so many options to recreational and serious runners alike.

- ◇ 5K Event participants included Rehab's, Darcy May who finished first in her age division, and was the 5th overall female finisher. Naida Paglinawan (Housekeeping) and her sister, Gwen also participated in the 5K run.
- ◇ Jennifer Stike (Medical Staff Services) and Christine Woods and Loretta Buasriyottiya (both with Pharmacy) all ran the half marathon—Loretta's first half marathon!
- ◇ OB's Tonya Rude finished first in her division in the full marathon, and was still smiling at the finish line.
- ◇ Rich Mears from Med Surg also ran the marathon...all 26.2 miles!

Many more KCH employees took part in the race day events. Hope to have more pictures next year. Thanks to everyone for the photos!
